London Mozart Trio

Firmly established as one of the most versatile and exciting chamber ensembles to emerge in recent years, the London Mozart Trio (formed 1989) has attracted considerable critical acclaim for its many committed performances and profound musicianship. They have released a number of CDs in the UK and overseas.

Special Guest

We are delighted that Michael Morpurgo OBE will be joining us and will say a few words about his visit to the Village where he met children from the Primary School. Author of the critically acclaimed Warhorse and many children's books, including The Kites are Flying, Mr Morpurgo and the children of the School made and flew kites together. After this visit he said: *The more schools there are like this the more children can meet and talk when they are young, the greater the chances of reconciliation.*

Post Concert Reception

After the concert, which will take place in the stunning Grade II listed Hampstead Town Hall, there will be a chance to meet the Trio and join us for wine and enticing Middle Eastern delicacies.

Oasis of Peace UK

We support the educational programmes of the Primary School, School for Peace and Pluralistic Spiritual Center of Neve Shalom ~ Wahat al-Salam (Hebrew and Arabic for Oasis of Peace). It is the first place where Jewish and Palestinian Israeli citizens have chosen to live, work and educate their children together in the spirit of equality, respect and understanding. Dedicated to promoting peace, the Village is known far and wide for its vital educational programmes and its example of shared co-existence.
